

B2B Tech Consulting Firm Targets Software Users With Next Level Solutions

Overview

A large technology consulting firm was looking to increase users of its network and software solutions. It enlisted the help of Next Level Solutions to reach a relevant audience, deliver timely advertisements, and drive conversions. The advertiser's goal was to achieve a CTR higher than the industry average of 0.08% – 0.10%.

Solution

The Next Level Solutions team developed a comprehensive strategy of Search Retargeting at the keyword level and Site Retargeting. With quick learning from the campaign launch, the Next Level Solutions team was able to blacklist specific domains and increase and optimize the keywords to more precisely target customers. With A/B testing, the team updated the creative several times to increase the campaign's overall effectiveness.

Results

Through multiple tactics and optimizations, Next Level Solutions delivered a CTR of 0.16%, nearly double the industry average and the client's goal.
